

OUR COMMITMENT FOR MAXIMIZING EXAM AUTHENTICITY AND CONTINUITY

ABOUT THE CLIENT

The client is one of the world's leading diversified natural resource companies with business operations in India, South Africa, Namibia, and Australia. The company is a leading producer of Oil & Gas, Zinc, Lead, Silver, Copper, Iron Ore, Steel, Aluminum, and Power. The company has been contributing significantly to nation building. Governance and sustainable development are at the core of the company's strategy, with a strong focus on health, safety, and environment. The company aims to deliver on its commitments to all internal and external stakeholders by demonstrating its core values through its actions, processes, systems and interactions.

PROBLEM STATEMENT

The organization growing at an astounding rate, was struggling with the management of logistics for conducting screening assessments, booking venues, and coordinating with the campus establishment and students. The company wanted to hire fresher candidates from campuses across India and had to fill in the positions within a stipulated time. They had two major requirements:

- They wanted end-to-end management of the complete campus hiring process
- They wanted help in sourcing of the campuses and candidates

ABOUT US

We are a Global Online Talent Assessment Company empowering businesses, academic institutions, sector skills councils, and the government with deep talent insights, while also enabling better hiring and development decisions. Through our robust, highly secured, and certified test engine – enriched with advanced analytics, is highly interactive, and has intelligent assessment tools – we drive great business results and people ROI for our customers. Wheebox offers a highly customized, scalable, and advanced AI-Driven platform to assess talents. We help our customers screen and select the right brains with the right attitude complimenting an organization's culture. Over a decade, Wheebox has been offering a wide array of validated assessments across pre-hiring screening, cognitive & behavioral evaluations and development for more than hundreds of companies globally.

Wheebox brings powerful and customizable solutions in time to help deliver any type of online examination certified by CERT-In (National Agency for Cyber Security), for application security, that helps educational organizations identify & build cost-effective online examinations with higher accuracy enabling them to conduct the desired online examinations.

SOLUTION

Wheebox understood the requirements of the company and helped it manage its campus hiring drive completely, from sourcing campuses and candidates to releasing the final offer letters.

PROCESS

1. Wheebox designed the assessment for the client for shortlisting the candidates.
2. Wheebox team supported them in end-to-end campus hiring solution, which included:
 - Planning of drives at campus
 - Branding and marketing of the organization at campuses for visibility to the candidates before the assessment
 - Interview drives
 - On ground support at the campuses on the day of the event
 - Complete support to the client from assessment to shortlisting to releasing offer letters and joining of the candidates.
